Ford Mustang. About 13 mustangs participated in

exhibition of remembrance.

VISITORS

The California Route 66 Museum welcomes International and U.S. Visitors daily. Our International Visitors amaze us with their excitement in visiting our museum. Speaking of International Visitors, Simon and Pauline Eldridge from Spain came to celebrate with us at our 19th Anniversary Car Show.

We really treasure our die hart loyal fans.

This past month an independent YouTube videographer, stopped by to make a video of some of the Museum exhibits. He interviewed our docents about our exhibits, our history, and how the Museum obtains the artifacts. We really appreciate and welcome all film crews and media.

In October we hosted the “Street Rodder” Road Tour, run with their Classic Cars and Motorbikes. The Museum shared visitation with the Victorville Fire Department Museum.

Pictured are some of the cars in the tour.
